Chauvet Core 3x3

Core 3x3 combines a pixel-mapping effect and a powerful LED wash. Powered by nine RGB LEDs with chip-on-board (COB) technology, it utilizes a unique reflector cup to produce large pixels of light and create intriguing sweeping and chasing effects.

\$50.00 per light

Chauvet Intimidator 140SR Hybrid

Intimidator Hybrid 140SR is powerful all-in-one moving head fixture that morphs from SPOT to BEAM to WASH effortlessly. Fitted with an intense 140 W discharge light engine and motorized focus, it projects crisp beams and gobos at almost any distance. Two overlapping independently controlled prisms create dynamic beam effects. Dual gobo wheels allow for gobo morphing and amazing mid-air projections. The motorized zoom works in beam, spot and wash modes for ultimate light control.

\$75.00 per light

Chauvet Veusvio

CHAUVET® Professional atmospherics family, the Vesuvio™ RGBA brings together high output LED washes to towering fog output with ferocious intensity. The Vesuvio™ RGBA atmospheric effect generator allows you to add red, green, blue, and amber color mixing (RGBA) to voluminous fog output for multi-colored atmospheric columns, bringing a new level of effects to your production. Vesuvio™ RGBA features a quick heating 1.6 kW heater and a 2.5 L fluid tank for dependability in production, and features an incredible 40,000 cubic feet per minute output (CFM), bringing a huge punch for your show.

\$75.00 per machine prefilled
with Fast Dissipating Fluid

WAY MORE POWERFUL THAN A GEYSER!

Water-based formula

Produces a thick cloud of fog that dissipates in seconds, allowing frequent bursts of eye-catching effects

Will not stain or leave residue

Non-toxic, non-flammable, and unscented

Chauvet Amhaze Whisper Haze Machine

CHAUVET Professional PHF fluid is formulated specifically for use with the Amhaze line. It generates a thin mist of haze, doesn't stain or leave residue, and is nontoxic, nonflammable and unscented.

Haze is required for amazing lighting and atmospheric effects. Example if you would like to see the beams of light from our Chauvet 140SR Hybrids then you must use haze.

\$125.00 prefilled with
Premium Haze Fluid.

Chauvet LED Strobe Lights

We will never point the stobes into the crowd. They are used for wall effect strobing as a background effect.

\$10.00 per light.

Custom LED Diamond Shaped DJ Booth

\$1,000.00

Chauvet Nimbus Dry Ice Machine

Nimbus is a professional dry ice machine which produces thick, white fog that hugs the floor and dissipates without rising. This powerful machine heats enough water to create fog from 10 lb of dry ice to provide 6 minutes of run time. Dual heaters allow for faster heat-up and recycle times.

\$150.00

One six minute flow of Dry
Ice
